## This Mirro Kettle

HAS TEN SUPERB FEATURES

The smiling face of this splendid Mirro Aluminum Tea Kettle is matched by a utility and durability that make him a lifelong kitchen friend. Here are the ten big features:

- (1) The highly ebonized sure-grip, detachable handle.
- (2) Handle ears are welded on—an exclusive Mirro feature.
- (3) Spout also welded on—no loosening—no dirt-catching joint.
- (4) Slotted ears permit handle to be shifted to any desired position without coming in contact with sides of kettle.
- (5) Rivetless, no-burn, ebonized knob.
- (6) Quick-filling, easy-pouring spout.
- (7) Unusually wide base—quick heating and fuel saving. Also prevents flame from creeping up around sides.
- (8) Famous Mirro finish.
- (9) Beautiful Colonial design. Also made in plain round style.
- (10) Mirro trademark, stamped into the bottom of the utensil.

\*Star features (2), (5) and (10) belong exclusively to Mirro.

Mirro Aluminum with its unusual features, is sold at a price that is truly moderate. Come see it for yourself and learn what a different and better line Mirro Aluminum really is, through and through.
